

RIAD ZAOU

Front-End Developer

riadz.pages.dev @riadz.dz@gmail.com Heuraoua, Algiers, Algeria
@riaddev riad-zaoui ProfessorCodeDZ

WHO AM I?

My name is Riad Zaoui, and I am a Creative Frontend developer based in Algeria. I graduated from Boumerdes University with a Master degree in Automation and Industrial Computing, and I am passionate about creating dynamic and responsive user interfaces that meet user requirements and exceed expectations using many frontend technologies.
